### Role Purpose

In this role Recovery Workers will be responsible for supporting and enabling consumers to confidently embark on a journey of recovery and to attain the kind of life they desire.

The duties include development of a therapeutic relationship with the consumer, their carer, family members and significant others and providing high quality services consistent with the values, mission and vision of Richmond Wellbeing. Recovery workers are expected to facilitate group work, regular 1:1 recovery work, keeping consumers records according to RW P&P and contributing as part of a team to the constant improvement of RW services.

The duties may vary in line with operational and business requirements.

### Richmond Wellbeing Vision, Purpose and Values

Our Vision: A world where people are supported to recover, live well and to have a meaningful and contributing life.

Our Purpose: We listen, respond and work holistically alongside people to support mental health recovery.

Hope	Relationship	Integrity	Innovation
We believe that people can and do recover from mental distress.	We work in a person-centred way, in partnerships, and are mindful to promote positive relationships between individuals, families, support networks, services, businesses and the community.	We work with kindness, respect, honesty, reliability and professionalism.	We always look for opportunities to innovate in order to lead the way in supporting mental health recovery.

### Statement of Diversity

The staff at RW are committed to creating a safe and comfortable environment for all staff and consumers. To view our diversity statement in full please visit the Richmond Wellbeing intranet.
